Mohamed Waheed - Email Signature Portfolio

About Me:

I am Mohamed Waheed, a detail-oriented freelancer specializing in designing professional email signatures that elevate digital communication. I focus on clean, modern, and fully responsive HTML email signatures that display correctly on all major platforms like Gmail, Outlook, and Apple Mail.

What I Provide:

- Custom HTML email signatures

- Clickable links (email, phone, website, social media)

- Mobile-friendly, clean design

- Personalized branding with logo, color palette, and title

- Tested across major email clients

Sample Work:

1. Client: Horizon Solutions

Requirement: Basic professional email signature with clickable links and company branding

Solution: Delivered an HTML-based signature including logo, full contact info, job title, website and LinkedIn, styled with company's brand colors.

2. Client: TechBridge Egypt

Requirement: Corporate signature for a team of employees

Solution: Designed a reusable, editable HTML signature template for each employee with dynamic fields.

3. Client: Freelance Developer (Personal Use)

Requirement: Simple yet elegant signature to use across Gmail and Outlook

Solution: Provided a minimalist, centered design with dark mode compatibility and clickable icons.

Client Feedback:

"Exactly what I was looking for! Mohamed delivered a clean and elegant email signature quickly and was open to minor changes. Highly recommend him!"
